

## Are You Outliving Your Money?

If you find that your savings account is decreasing faster than you expected creating the worry that you'll have to move out of your home at your Assisted Living.

There is a solution.

For residents who have lived in Assisted Living at least one year, the New Choices Waiver might be the perfect option. The New Choices Waiver is a Medicaid program designed to keep people living in the comfort of their existing homes.

Enrollment for Assisted Living applicants occurs in March, July and November. A limited number of openings are available.

For more information talk with a member of your Assisted Living staff or call the New Choices Waiver office at 1-800-662-9651
